3. Which is your favourite sport-badminton or football ?
4. Mother likes tea but father like coffee.

Read the poem carefully and answer the questions given below.

MY SHADOW

I have a little shadow that goes in and out with me,
 And what can be the use of him is more than I can see.
 He is very, very like me from the heels up to the head;
 And I see him jump before me, when I jump into my bed.
 The funniest thing about him is the way he likes to grow—
 Not at all like proper children, which is always very slow;
 For he sometimes shoots up taller like an India-rubber ball,
 And he sometimes gets so little that there's none of him at all.

RL Stevenson

1. **What is the name of the poem ?**

2. **What is the name of the poet ?**

3. **Where does the poet and the shadow jump into ?**

4. **Give rhyming words for :**

a) head : _____

b) grow : _____

Read the passage carefully and answer the questions given below.

Holi is the festival of colours. It is celebrated in many parts of India by different names. It is celebrated as Vasant Utsav in Shantiniketan, the school started by the great poet Rabindranath Tagore. With the coming of Vasant (spring), there is colour everywhere. Vasant Utsav is celebrated on Vasant Purnima (full moon day). Children go around singing songs welcoming spring. Girls wear yellow sarees and boys wear yellow dhotis and kurtas. Everyone joins in the singing and dancing. Later, they throw coloured powder called gulal. In the evening, the students stage a musical play of Tagore. It is performed on an open-air stage under the light of the full moon. Don't you think Vasant Utsav is a beautiful way of celebrating the coming of spring?

1. Where is Vasant Utsav celebrated ?

2. Who started the school at Shantiniketan ?

3. When is Vasant Utsav celebrated ?

4. Give opposites for

a) come : _____

b) dark : _____

Read the passage and answer the questions given below.

Thomas Alva Edison was born on February 11, 1847 in Ohio. He had a serious hearing problem due to which he had a poor performance at school. He was often teased by other kids. Edison ran away from the school. His mother was forced to teach him at home. He enjoyed reading chemistry books. He never stopped studying and experimenting. In 1871, he moved to New Jersey where he set up his first laboratory. In 1879, Edison discovered the first successful electric light bulb. The invention made Edison not only rich, but also famous. Edison worked until he was very old. He died on October 18, 1931

**Fill in the blanks**

1. Edison was born on _____ in _____
